**מזל טוב, כל הכבוד**

**Michael Berman**

You have dedicated more than a decade of your much-accomplished life to saving, re-building, and expanding America's oldest Zionist youth movement.

It has been our honor to work with you and support your efforts as Young Judaea makes its mark for the next 100 years and more.

Without your unwavering dedication, spot-on insights, and even-keeled helmsmanship, we would not have a new framework to continue impacting as many young Jewish lives as we can.

Saying thank you is not enough.  
We applaud you and are grateful for all you have done – and will continue to do.

With much love and much appreciation,

**Betsy August Gold & Ron Gold**

# BOGER (GRADUATE)
